# INTRODUCTION TO MINHAJ UL QURAN London

Minhaj-ul-Quran International is a broad based internationally recognised organization working globally representing the moderate and majority vision of Islam.

MQI's work expands on promotion of peace & tolerance, interfaith harmony and attaining educational excellence. We attribute much importance in engaging with young Muslims for religious and spiritual moderation, in promoting women's rights through development and empowerment, whilst providing social welfare, humanitarian and disaster relief across the most affected regions in the globe.

MQI London- originally an old odeon cinema, MQI London established the mosque and community centre in 1994 and has been active in the local vicinity ever since.

## Scholars of MQI London

Director of Religious Affairs

**Shaykh Muhammad Sadiq Qureshi**

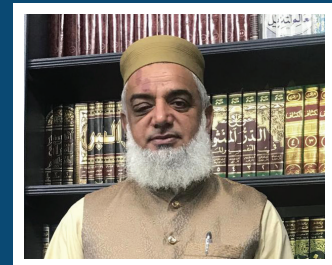

MQI London has always held an open-door policy which reflects upon our core values of togetherness, connection and the innate urge to serve others. Ultimately, our work revolves around one solitary aim, which is to seek the pleasure of Allah SWT. With this shared goal, we aim to inspire, educate and serve our congregation.

Director of Education

**Shaykh Muhammad Zeeshan Qadri**

Minhaj ul Quran has a dedicated Education Board which oversees a holistic education plan to cater to all ages and levels. The Prophet PBUH said: "The best of charity is when a Muslim man gains knowledge, then he teaches it to his Muslim brother. Following this Prophetic tradition, MQI London has heavily invested in its education programme

Lead Imam

**Hafiz Abdul Rasool**

As a mosque, we thrive on the social interaction we have through the many community services we provide. We strive to engage via dialogue with the Muslim and Non-Muslim community alike, as presenting good moral character shines upon the essence of Islam

“

MFS were very professional and caring throughout in dealing with our son's Janaza arrangements. They facilitated the whole process, including conducting the ghusal and Janaza in a very efficient manner. This was done with the utmost grace and empathy to us despite COVID restrictions being in place. Our family is thankful to MFS for their support in our time of grief.. S NAZIR

“

I would like to say that since they have started the funeral services, they have provided the latest equipment and clean place. The representatives were considerate, cooperative and very helpful at a time of grief. They were exceptional during the pandemic and provided a service with utmost compassion even when they were stretched. YAKUB PATEL

# FUTURE PLANS

MQI London is always striving to improve and start-up new & innovative projects which are of direct interest and benefit the community.

For the next calendar year, we have earmarked three key projects we would like to invest considerable time on.

**SENIOR CITIZENS ASSOCIATION**

MQI is committed to tackling isolation and loneliness within the elder diaspora in our community. We will set up a Senior Citizens Association from May 2022 onwards, working with local charities. The premise will be to set up a day care centre in the mosque for the elderly to come in, interact and spend some quality time with peers. MQI London will work with AGEUK in order to deliver this project.

**SCOUTS**

MQI is investing the relevant infrastructure to set up a fully functional Scouts network from its mosque on Romford Road. 2022 is earmarked for the launch of the cubs (8-10) and the scouts (10-12) with others to follow in 2023. MQI will work directly with the UK Scouts and Muslim Scouts Fellowship in order to begin and sustain the scouts network.

**BUILDING PLANS**

As our services become larger, the space in our mosque is becoming limited. MQI London is therefore dedicating considerable resource in the coming months in order to make provisions for a mass redevelopment at the current site on Romford Road. We will share an action plan for the redevelopment with the local stakeholders in due course.
